

N° 8124

The N° 8124 traditional glass cabinet knob has a simple and elegant design suitable for a variety of interiors. The clear glass handle meets a short glass shank that bells at the bottom to fit within a modern style base. An interior cavetto detail eases the glass to metal transition. The base is available in polished brass, burnished brass, and polished nickel.

Diameter: $1\frac{1}{4}$
Projection: $1\frac{1}{4}$
Base Diameter: $\frac{7}{8}$

Product is shown at full scale.
