

N° 11.01

Designed and manufactured to the same high standards as our door hardware, the Georgian towel rod incorporates an ogival plate banded by an astragal. Shown without adornment, the end posts can be provided with either roped or beaded detailing. The rod can be ordered in glass as shown or in metal. While most popular in the sizes below, the rods can be ordered in any length. Longer dimensions will be provided with a center post. A comprehensive suite of aesthetically-related bath hardware is also available, including towel rings, toilet paper dispensers and robe hooks. The rod is produced in twelve Nanz plated and patinated finishes.
