NANZ®

N° 3583FM

The N° 3583FM lift off butt hinge draws inspiration from Greco-Roman architecture with its distinct fluted bushing and finials. This accent gives the hinge a timeless design making it suitable in both traditional and modern interiors. A selection of related products are also available. Custom sizes can be manufactured. The hinge is handed; a right-hand hinge is shown. All Nanz plated and patinated finishes are available.
