

N° 15.02

The Moderne paper holder combines classic posts with ogee-profile backplates. The streamlined design highlights the quality of the finish, and the spring-loaded Delrin spindle provides strength without being too heavy. This holder is also available in a single-post version. A comprehensive suite of aesthetically related bath hardware is also available, including towel rings, robe hooks, and glass towel rods. Twelve Nanz plated and patinated finishes are available.
