

N° 1053

The No 1053 melon knob is divided into sixteen segments radiating from a boss at the center. The design is suitable for sumptuous Edwardian decors as well as contemporary interiors. The ornate face meets a sculpted shank and minimally detailed rose. Other rose designs are available with this knob as well. Full mortise entry locks, privacy locks, passage latches, as well as tubular latches can be provided for use with this knob. Finishes available include satin nickel, burnished brass, antique gold and pewter, and a host of other Nanz plated and patinated finishes. The knob measures 2-3/8" in diameter with a projection of 2-3/4" and can also be provided in 3/4", 1", 1-1/4", and 1-1/2" diameters suitable for cabinetry. A selection of related products is also available.
