

N° 1215

The No 1215 T-knob combines a spherical center with two conical cross bars. The handle surmounts a gently curving shank encircled by a plain cavetto at its base. The cove rose maintains the restrained simplicity and accents the knob's Bauhaus principles of design. The pull is suitable for modern as well as traditional interiors. The 1215 has a projection of 2-1/2", a width of 3-1/2", and is available in all Nanz plated and patinated finishes.

Diameter: 3-1/2" x 2-1/4"

Projection: 2-1/2"
