

N° 1305B

The No 1305B Georgian knob has streamlined its more bulbous, 18th-century prototype. Refined moldings and beaded knurls within shallow steps adorn the updated knob. A cavetto molding at the base of the shank forms a transition to the rose, which has an ogee profile ringed by a beaded astragal. The knob is available in 2", 2-1/4", 2-1/2", and 3" in diameters, as well as smaller sizes suitable for cabinetry. Backplates for cabinet knobs are available upon request at an additional cost. Full mortise entry locks, privacy locks, passage latches and tubular latches can be provided for use with this knob. The classic simplicity of the knob is appropriate for period and contemporary interiors. It can be paired with a variety of rose designs. Finishes available include, but are not limited to, burnished brass, dark oxidized bronze, polished brass and polished nickel.

Diameter: 2" 2-1/4" 2-1/2" 3"

Projection: 2-1/2" 2-5/8" 2-5/8" 3"
