

N° 2011

The No 2011 Gothic-inspired lever originated in the late 19th to early 20th century when American buildings, apartment houses, universities and private residences were built with a Neo-Gothic flare. The high arched handle, detailed by three ribs, terminates in a cylindrical scroll. The quatrefoil foliate rose has two exposed screws, though a large selection of roses can be substituted. Recommended finishes include dark antique brass, dark pewter, polished brass and dark oxidized bronze. It is also available in many other Nanz plated and patinated finishes. The handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows. The lever measures 4" long with a projection of 2-7/8".

Length: 4"

Projection: 2-7/8"

Lever Style: Ornate, Transitional

Collection: Ornamental
