

N° 2025

The No 2025 lever of 20th-century arts-and-crafts inspiration, pays homage to Baroque exuberance. This lever showcases a handle with a series of spiraling grooves, a baluster-shaped turning in the shank and a domed rose segmented by grooves. The handle may be provided in antique brass, silver and antique gold, as well as all other plated and patinated finishes. This handle may be used with traditional full-mortise locksets or can be manufactured for use with multi-point doors as well as tilt & turn windows.
