

N° 2110

The No 2110 lever is a stylish handle of contemporary design. The sleek, tapered handle and understated rose dates back to the mid-20th century. The handle finds aesthetic value in the paring down of forms. The lever is available in a wide variety of plated and patinated finishes including polished nickel, antique silver, pewter and antique brass. Additionally, a number of rose designs are appropriate for use with this handle. It can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.
