

N° 2224

The No 2224 lever is accented by a bold finial detail juxtaposed against dual-rope astragals that ring each end of the gently tapering handle. This classical design streamlines the Georgian style and is suitable for contemporary as well as traditional interiors. This lever can be used to operate tilt & turn windows, multi-point doors, and traditional mortise locks. The rose can be substituted for various designs. Recommended finishes include antique gold, silver, and brass, though all Nanz plated and patinated finishes are available.

Length: 4-1/2"

Projection: 2-3/4"

Rose Diameter: 2"

Lever Style: Transitional

Collection: Georgian
