

N° 5761PP

The American Moderne-inspired N° 5761 push plate, consisting of intersecting stacked planes, recalls the work of Donald Deskey during the 1930s and Raymond Loewy's streamlined designs of the same period. It can be used in conjunction with the N° 2007 lever and the N° 1230 Knob. It can be used simply as a push plate, or drilled for use with a handle, thumbturn or cylinder. Most Nanz levers, knobs, and thumbturns can be ordered with the escutcheon. All Nanz plated and patinated finishes are available.
