

N° 6398

The No 6398 rectangular recessed pull is an expression of simple, elegant design. A quarter-round between two square-edged steps forms the pull's well-proportioned molding detail. It is often specified with the Nanz No 7611 edge pull. It is available in another version, the No 6198, with either a thumbturn or keyhole cutout for use with the No 7621 privacy pocket door lock, as well as in a narrower version, the No 6198. All Nanz plated and patinated finishes are available.

Height: 4-3/4"

Width: 2-1/4"

Projection: 3/16"

Depth: 3/8"

Collection: Edwardian
