

Nº 6533

 $The \ 6533 \ offset \ door \ pull \ is \ simple \ and \ practical. \ Subtle \ organic \ contours \ are \ accented \ by \ the \ static \ cylindrical \ structure \ of \ the \ pull. \ Its$ straightforward design lends it a great deal of versatility. Any Nanz plated or patinated finishes can be applied. Smaller sizes are available as cabinet pulls.

Width: 2-3/8" 3-1/4"

Projection: 2-3/4" 2-3/4"
