

N° 8466

The N° 8466 modern cabinet T-knob features posts joining at a central sphere. The simple geometry of the knob, shank, and posts create simplicity that accents the knob's Bauhaus principles of design. The cabinet knob is suitable for stylish modern interiors. As with all Nanz products it is available a variety of plated and patinated finishes. **Special Product: Due to the production process, tooling and fixturing may be required prior to order fulfillment.*
