

N° 8650

The No 8650 bin pull with wing-like flanges originated in the Arts and Crafts movement of the later 19th century, though the elegant design is appropriate for other decors as well. A detailed lip delineates the upper and lower edge of the dome. All Nanz plated and patinated finishes are available.

Width: 3-7/8"

Height: 1-7/16"

Projection: 3/4"

Collection: Modern
