

N° 20.03

The American Revival soap dish holder's multi-planed backplate gives a modern edge to a classic design. The off-white, oval dish incorporates three interior ridges to prevent soap from dissolving in excess water. Manufactured in solid brass, the holder is available in twelve Nanz plated and patinated finishes. A comprehensive suite of aesthetically related bath hardware is also available, including towel rings, robe hooks, and glass towel rods.
