3583OE

The No 3583OE lift off butt hinge draws inspiration from mid 19th-century Italian Hardware. Astragal-wrapped ogival finials add a classical touch and a stepped bushing makes it perfect for traditional or modern interiors. A selection of related products are also available. Custom sizes can be manufactured. The hinge is handed; a left-hand hinge is shown. All NANZ plated and patinated finishes are available.
