

## Shower Set 23

The Nanz Thermostatic Volumetric Shower control is manufactured in solid brass and features Vernet thermostatic valve cartridges. The shower set includes a patented anti-scald mechanism. In addition a safety feature requires button activation to reach the hottest temperatures. Matching bath and basin fittings are offered, as are coordinating bath accessories and cabinetry. Selected examples appear below. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification. The American Moderne-inspired Art Deco collection focuses on intersecting stacked planes and recalls Donald Deskey's work and Raymond Loewy's streamlined designs of the 1920s and '30s. It has been a symbol of luxury and craftsmanship and corresponds to many major works in America in the first half of the 20th century.
