NANZ

AQ-AD-7.1.1-1006

The NANZ Monoblock Kitchen Faucet features a single control for volume as well as temperature. Turn for temperature-tilt to control volume. Fluhs valves assure balanced pressure and anti scald features. Tension is perfect for just the right feel. A separate hand spray is also available. The American Moderne-inspired Art Deco collection focuses on intersecting stacked planes and recalls Donald Deskey's work and Raymond Loewy's streamlined designs of the 1920s and '30s. It has been a symbol of luxury and craftsmanship and corresponds to many major works in America in the first half of the 20th century.
