

AQ-BH-1.1.1-1112

The NANZ Monoblock Basin Faucet features a single control for volume as well as temperature. Turn for temperature-tilt to control volume. Flush valves assure balanced pressure. Tension is perfect for just the right feel. A separate hand spray is also available. The NANZ Bauhaus collection, based on designs by Walter Gropius from the 1920s, embodies the School's belief in simple geometric forms as the basis of good design. With coordinating bath, shower, basin fittings and accessories, the collection can be coordinated throughout a project.

Spout Height: 12-1/2"

Spout Projection: 6-3/4"

Knob Style: N° 1112

Collection: Bauhaus

Product Code: AQ-SBAM2.1112
