The Bauhaus towel ring combines a classic ring supported by a ball-end post with a square backplate and exposed fasteners. As with all of our hardware, the ring is manufactured of solid brass, making it exceptionally strong. A comprehensive suite of aesthetically-related bath hardware is also available, including robe hooks, toilet paper dispensers and glass towel rods. It is produced in twelve NANZ plated and patinated finishes.

Diameter: 6" Ring

Projection: 2"
