NANZ

AQ-DM-14.13

The Drum robe hook evokes 18th-century Neoclassicism through the use of reeding in the flourishing backplate. The visual play of the decorative lines against the smooth post creates a sophisticated design that is suitable for a variety of traditional and early modern interiors. A comprehensive suite of aesthetically related bath hardware is also available, including towel rings, toilet paper dispensers and glass towel rods. It is produced in twelve NANZ plated and patinated finishes.
