

AQ-DO-12.26

The Domus hand towel ring combines a classic ring with the simplified half dome backplate. It is supported by a ball-end post. As with all of our hardware, the ring is manufactured of solid brass, making it exceptionally strong. A comprehensive suite of aesthetically-related bath hardware is also available, including robe hooks, toilet paper dispensers and glass towel rods. It is produced in twelve NANZ plated and patinated finishes.
