

NANZ

AQ-FT-1.1.1-1209S

The NANZ Monoblock Basin Faucet features a single control for volume as well as temperature. Turn for temperature-tilt to control volume. Flush valves assure balanced pressure. Tension is perfect for just the right feel. A separate hand spray is also available. Without adornment or needless decoration, the Functional Collection is the most basic set of hardware for interiors where a simple aesthetic is preferred, the Functional Collection is a proper choice. Joined with a matching set of complementary components the collections can be used throughout a project. Selected examples appear below. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
