Without adornment or needless decoration, the Functional Collection is the most basic set of hardware. Either for back of house staff areas, or for simple interiors where a simple aesthetic is preferred, the Functional Collection is a proper choice. Our basin sets may be customized by choosing from our varied range of handles, spouts, bells, bonnets and rod finials. Matching bath and shower fittings are offered, as are coordinating bath accessories and cabinetry. Selected examples appear below. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
