NANZ®

AQ-MD-7.1.1-1004

The NANZ Monoblock Kitchen Faucet features a single control for volume as well as temperature. Turn for temperature-tilt to control volume. Fluhs valves assure balanced pressure and anti scald features. Tension is perfect for just the right feel. A separate hand spray is also available. Drawing inspiration from the realm of Arbus, Rhullman, and Chereaux, the NANZ Moderne collection is reminiscent of 1920s Paris. With simple sensuous lines the pleasing forms are particularly useful for any 20th century transitional interior. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
