

NANZ®

AQ-OT-1.1.1-1240

The NANZ Monoblock Basin Faucet features a single control for volume as well as temperature. Turn for temperature-tilt to control volume. Flugs valves assure balanced pressure. Tension is perfect for just the right feel. A separate hand spray is also available. Combining the neoclassical lexicon of the octagon and the ogival curve, the NANZ Octavio collection is a popular choice for both traditional and transitional interiors. Joined with a matching set of complementary components the collections can be used throughout a project. Selected examples appear below. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.

Spout Height: 12-3/4"
