

### AQ-PM-1.2-2023

The Nanz Tri-Mount Short Basin Deck is manufactured in solid brass and features FLUHS ceramic valve cartridges. Our basin sets may be customized by choosing from our varied range of handles, spouts, bells, bonnets and rod finials. Matching bath and shower fittings are offered, as are coordinating bath accessories and cabinetry. Originally fashioned for a late 80s showhouse, the faceted surfaces of the Nanz prismatic collection were inspired by the art of the stone cutter. Joined with a matching set of complementary components the collections can be used throughout a project and is another wonderful example of a highly versatile transitional design style. Selected examples appear below. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
