

AQ-OT-7.SKFHC-2091

The NANZAQUATIC Instant Hot/Cold Water faucet is expertly crafted from solid brass to seamlessly complement your NANZAQUATIC kitchen ensemble. Featuring 1/4 turn Fluhs ceramic disc cartridges and compatibility with reverse osmosis water systems, this faucet ensures durability and precise control for both hot and cold water. Enhance your kitchen with on-demand access to purified, great-tasting drinking water. Please note, carbon water filtration systems and hot water tanks are sold separately. Experience efficiency and elegance in every detail with NANZAQUATIC. Contact one of our offices for more information and assistance with specification.
