

Basin Set 39

Based on the simple sphere and fractional variations combined with cylindrical components, the Nanz Domus line is a most contemporary collection. It happily works juxtaposed in traditional settings, as well as modern interiors. Our basin sets may be customized by choosing from our varied range of handles, spouts, bells, bonnets and rod finials. Matching bath and shower fittings are offered, as are coordinating bath accessories and cabinetry. The collection can be coordinated throughout a project. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
