

Shower Set 19

The Nanz Thermostatic Valve is manufactured in solid brass and features Vernet thermostatic valve cartridges. Matching bath and basin fittings are offered, as are coordinating bath accessories and cabinetry. Matching bath and basin fittings are offered, as are coordinating bath accessories and cabinetry. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification. The Nanz Bauhaus collection, based on designs by Walter Gropius from the 1920s, embodies the School's belief in simple geometric forms as the basis of good design. With matching bath, shower, basin fittings and accessories, the collection can be coordinated throughout a project.
