EC-2013

The EC-2013 Georgian lever incorporates molding details of 18th-century Neoclassicism. A plain astragal defines the extremities of the tapering handle, which ends with an ogee-shaped dome. The ogee profile is repeated on the face of the rose. The understated classicism allows the design to be used in a variety of interiors. Length 4-1/8", projection 2-7/8", rose diameter 1-7/8". See all available finishes here.

LENGTH	4-1/8"
PROJECTION	2-7/8"
ROSE DIAMETER	1-7/8"
