

## EC-2075

The EC-2075 lever is traditional in form and reminiscent of American Moderne design of the 1930s. The handle replaces classical molding details with a series of steps at the handle's end and at the rose to invoke a sense of solidity and structure. Length 4-1/4", projection 2-3/4", rose diameter 1-7/8". See all available finishes here.
