EC-2228

The EC-2228 lever evokes the drum-shaped motif of the turn of the 20th century. The lever's design treats traditional form with the simplicity of modern elegance; the handle is described on either end by a cylindrical band bisected by a cove. The drum motif repeats itself in the flat rose, which is also circumscribed by a cylindrical band. The lever was designed to accompany the No 1228 knob. Length 4-5/8", projection 3", rose diameter 2-1/8". See all available finishes here.

LENGTH	4-5/8"
PROJECTION	3"
ROSE DIAMETER	2-1/8"
