EC-6001

The EC-6001 modern recessed pull reflects the minimalist, rectilinear aesthetic developed in architecture and interior design during the middle of the 20th century. The clean, rectangular opening plays against the larger, offset rectangle of the faceplate covering the recess. This pull is designed for pocket doors. It can be ordered with or without a thumbturn, emergency release, or cylinder for use with a pocket door lock. It measures 4-1/2" x 2-3/4". See all available finishes here.

HEIGHT	4-1/2"
WIDTH	2-3/4"
