

Bar Monoblock 01

The Nanz Bar Monoblock Faucet features a single control for volume as well as temperature. Turn for temperature-tilt to control volume. Fluhs valves assure balanced pressure and anti scald features. Tension is perfect for just the right feel. Hand spray is also available either as a side by side feature or integral to the spout. This is a smaller version of the Kitchen Monoblock. Drawing inspiration from the realm of Arbus, Rhullman, and Chereaux, the Nanz Moderne collection is reminiscent of 1920s Paris. With simple sensuous lines the pleasing forms are particularly useful for any 20th century transitional interior. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
