

Hand Spray 01

The Nanz Kitchen Handspray is created from solid brass and features an integrated spray valve and metal hose. Diffuser knurling and sculpted trigger compliment any kitchen decor. Drawing inspiration from the realm of Arbus, Rhullman, and Chereaux, the Nanz Moderne collection is reminiscent of 1920s Paris. With simple sensuous lines the pleasing forms are particularly useful for any 20th century transitional interior. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
