

Kitchen Monoblock 09

The Nanz Monoblock Kitchen Faucet features a single control for volume as well as temperature. Turn for temperature-tilt to control volume. Flus valves assure balanced pressure and anti scald features. Tension is perfect for just the right feel. A separate hand spray is also available. Combining the neoclassical lexicon of the octagon and the ogival curve, the Nanz Octavio collection is a popular choice for both traditional and transitional interiors. Joined with a matching set of complementary components the collections can be used throughout a project. Selected examples appear below. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
