

N° 1075

The No 1075 hexagonal knob brings the minimalist Bauhaus design and an expression of reduced geometrical form. The rose's circular form and the hexagon knob both share sharp lines to emphasise the geometric design. Full mortise entry locks, privacy locks, passage latches, as well as tubular latches can be provided for use with this knob. Finishes available include polished chrome, polished nickel, satin nickel and dark oxidized bronze, as well as all of Nanz's plated and patinated finishes.

Diameter: 2-3/4"

Projection: 2-3/4"
