No 1115DK 250

Designed in collaboration with Suzanne Tucker, the Nob Hill collection is inspired by the gilded-age mansions of San Francisco's iconic, historic neighborhood, and represents the very best of chic, timeless design. The No 1115DK 2-1/2" traditional round knob has a turned ornamental boss in the center ringed by a stepped astragal. This version features a continuous diamond detailed knurl. The delicate knurling is repeated on the face of the No 52292DK 238 rose. Shown here in Burnished Brass, this handle is available in all NANZ plated and patinated finishes. Also available in a 3" size, this knob can be provided for use with full mortise entry locks, privacy locks, and passage latches.
