Designed in collaboration with Suzanne Tucker, the San Simeon collection is an homage to Julia Morgan's work at San Simeon's Hearst Castle. The collection exudes the signature elements of Morgan's approach to architecture - embracing outstanding craftsmanship with a keen attention to scale, proportion and detail. The N° 11182R traditional oval knob is ringed by a stepped astragal with roped knurling. The N° 52291 225 rose's roped astragal compliments the details of the handle. Shown here in Burnished Brass, this handle is available in all NANZ plated and patinated finishes. The knob can be provided for use with full mortise entry locks, privacy locks, and passage latches.
