

NANZ

N° 1180

The No 1180 oval knob, cast with an interwoven monogram against a stippled background, was originally produced in the early 20th century. The face can be cast with any initials desired in any style of script. The knob measures 2-5/8" x 1-1/2" with a projection of 2-3/8". Finishes available include antique brass, dark oxidized bronze, antique gold, and antique silver.

Diameter: 2-5/8" x 1-1/2"

Projection: 2-3/8"
