N° 12.21

A swelling form with an astragal base comprises the No 12.21 Diminutive towel ring. The ogee-profile backplate is circled by another astragal. As with all of our hardware, the ring is manufactured of solid brass, making it exceptionally strong. A comprehensive suite of aesthetically related bath hardware is also available, including robe hooks, toilet paper dispensers and glass towel rods. It is produced in twelve NANZ plated and patinated finishes.
