

## N° 1265

The No 1265 knob, whose handsome proportions incorporate 18th-century Georgian motifs, is composed of a disk-shaped handle with torus edge surrounded by an astragal and a shallow cove rising to a boss. The baluster shank is fitted to a square rose with four exposed screws. Full mortise entry locks, privacy locks, passage latches, as well as tubular latches are available for use with this knob. The handle is also available with a round rose. Recommended finishes include antique gold, antique silver, burnished brass, polished nickel and antique brass, though all plated and patinated finishes are available. The knob is available in 1-3/4" and 2-3/8" diameters.
