

N° 1540

The No 1540 hexagonal knob shows modernist influences in its clean edges and geometric forms. The functionalist design is continued in the cylindrical shank and the hexagonal rose. Full mortise entry locks, privacy locks, passage latches, as well as tubular latches can be provided for use with this knob. All NANZ plated and patinated finishes are available. It measures 2" in diameter.

Diameter: 2"

Projection: 2"
