

SHAMSHIRI

N° 1781

Studio Shamsiri and NANZ developed the varied handles through drawings, models, prototypes and a thoughtful manipulation of good ideas. The LA Collection draws from the diverse textures of California's urban and coastal environments. Exploring the interplay of materials, we believe the hardware evokes the city's natural beauty. The N° 1781 Potato Knob may be specified with Full mortise entry locks, privacy locks, passage latches, as well as tubular latches.

Projection: 2-1/16"
