

## N° 18.26

A simple, hemispheric backplate secures the Domus glass tumbler holder. The reduction of the backplate into its essential form recalls the beliefs of Le Corbusier that function is inherently beautiful. Manufactured in solid brass, the holder is available in twelve Nanz plated and patinated finishes. A comprehensive suite of aesthetically related bath hardware is also available, including towel rings, paper holders, and robe hooks.

Height x Width: 4-1/8" x 3"

Projection: 3-1/2"

Rose Diameter: 2"

Collection: Domus
