

N° 1901

Designed as part of the Carver Series, the no 1901 knob combines tactile curves with an organic cast form. This handle takes on a rustic feel with antique finishes, yet its rigid geometry functions well in modern interiors with a polished finish. The knob is suitable for a range of interiors and design styles. Full mortise entry locks, privacy locks, passage latches, as well as tubular latches can be provided for use with this knob.
