NANZ®

Nº 1964 225 TXT

Designed in collaboration with Suzanne Tucker, the Montecito collection echoes the iconic elements of Spanish Colonial Revival architecture: hand-hammered surfaces, Moorish quatrefoils, and classic scrolled detailing - both graceful and textural to the hand, evoking an elegance of living. The Nº 1964 knob features an organic hand hammered texture and etched lines, surrounding a central prism. The texture is repeated on the Nº 5964 188 TXT rose. This knob can be provided for use with full mortise entry locks, privacy locks, and passage latches. Shown here in Medium Antique Brass, all NANZ plated and patinated finishes are available.
